Market Mania
What a fantastic night we had last Friday for our Twilight Markets! The weather turned out to be beautiful for the evening after a stormy couple of days beforehand. The number of people who attended is a wonderful reflection of how well the evening was organised. A huge thank you to everyone who helped on the evening or in the lead up to the night. This includes all those people who helped in stalls on the night, provided cakes or items to sell, who sold raffle tickets or helped organise the evening. Thank you to the many businesses, community groups and individuals who donated their time or items for the evening. Congratulations to the P&C for organising such a fantastic night. I would like to extend a special thank you to Ms Jena Kent and Ms Christine Parker for their efforts in helping to organise the night and to Mr Mark Leov for his assistance in setting up before the markets. A special thank you goes to Mrs Pam Leov for her many, many hours of organisation and planning. The night was a hugely successful event for the community and in particular our school. Well done!

A Change in the Program
Due to our Intensive Swimming Program running in the afternoons from next Monday 23rd November, our whole school assembly due to be held on Thursday 26th November will be held straight after recess at 11:35am.

Holiday Hampers
As in previous years, we are asking our families to send in food and other small items for our annual hampers. These hampers are donated to families in our school. Any items you can spare would be very much appreciated and can be left at the School Office.

P&C Meeting
Our final P&C meeting for this year will be held next Thursday 26th November at 4:00pm in the School Library. The main item for discussion will be a review of our Twilight Markets. It would be fantastic to see as many parents and friends attend as possible.

Intensive Swimming Program
Our intensive swimming program will be commencing next Monday 23rd November and continuing until Friday 4th December. Testing will take place on Monday 23rd November, where students will be grouped according to their ability levels. Students will be placed in either the 1:15pm group or the 2:00pm group. Each group will walk to and from the pool with a teacher. Only students who are unable to swim 25 meters in any stroke will be involved in the program due to the Department of Education guidelines.

All students involved will be required to bring in a plastic bag or swim bag: a swimming costume, towel, sunscreen, t-shirt or rash shirt and a hat. All items should be clearly labelled with the child’s name. Students who remain at school will complete work set by their teacher.

All permission notes and money need to be returned as soon as possible.

Many other students will hopefully reach 500 awards in the coming weeks if they continue to work hard. A reminder that swimming notes and money need to be returned ASAP. Swimming begins next Monday.

Those students not involved will be remaining at school.
