**HOME REMEDY FOR HEAD LICE!!**

Head lice becomes a continual problem this time of year….

Coconut Oil and Apple Cider Vinegar:
Coconut Oil dissolves the lice’s outer skeletal shell instantly. Apply the oil thoroughly to the hair and comb with a nit comb and then rinse with vinegar. No nasty chemicals! Add a second rinse with the vinegar and comb through again with a nit comb. Repeat as necessary.
Class K-1
In Science we are learning about our Senses and how they help us learn about things around us. Yesterday we learned how hearing can alert us to danger when we practised a fire drill. Last week we said goodbye to our pet ants and Mrs Quilter released them back into the wild on her farm.

Class 1-2
Wow the term is flying by! It was great to meet and discuss students’ progress with parents last night at our first session of parent-teacher interviews. I look forward to further interviews tomorrow and Thursday afternoon. On Friday Miss Guymer will be taking Class 1-2 for the day while I complete Sena testing (Maths testing) and undertake the Southern Riverina PSSA Netball trials in Henty. On Friday students will participate in AFL clinics for sport.

Class 3
Last week our class presented our assembly item and the students did an amazing job, they should be very proud of their efforts. Thank you to all the parents who came and watched and Mrs Jenkins for her assistance. Our class was luckily enough to win the habitat award for the tidiest classroom selected by the SRC for the third fortnight in a row. This week is parent teacher interviews, if you were unable to meet this week we can arrange a time for another day. If anybody has spare egg cartons at home that they would like to donate we would appreciate them.

Class 4-5
Class 4-5 students are starting a project this week on Antarctica. They will be working in pairs and will be presenting their results as a PowerPoint, speech or poster. Students have also been working hard on Aztec suns in creative arts. Class 4-5 will be presenting an item at next week’s assembly so we will start practicing this week. We are looking forward to the AFL visit on Friday for sport. Parent teacher interviews are this week and I look forward to meeting you and discussing with you, your child’s education. Have a great week everyone.

Class 5-6
We are in the middle of our parent teacher interviews this week. If you need to see Miss Phillips at another time, just call to make an appointment. Well done to Bailey and Blake who have made it into the Southern Riverina AFL team. Good luck to Kayleigh, Tayla, Georgia and Matisse who are trying out for the Southern Riverina PSSA Netball Team this Friday. We are continuing on with our Bali projects in class this week. Students will be presenting them to their peers next Thursday in class. The class award this week goes to Marcus for being a super speller. The Class Dojo awards go to Mataya and Talen.
SRPSSA Netball Trials
Good luck to Georgia Miller, Kayleigh Cook, Tayla Bodycott and Matisse Ravenna who were selected to try out for the Southern Riverina PSSA Netball side.

Culcairn Football Club
Congratulations to Blake Ralston and Bailey Phillips on being selected in the Southern Riverina AFL side.
