Growing our School Leaders

Tomorrow our school leaders, Bailey Phillips, Imogen McPherson, Robert Thomas and Mia McMillan will be attending the GRIP Leadership conference in Albury. The conference focuses on ways students can be leaders by standing up in practical ways, looking at the important quality of generosity and by generating ideas and how they can help members of the school and wider communities. Have a great day and come back inspired leaders.

Books, books and more books

The Scholastic Bookfair will be at our school from Tuesday 9th to Friday 12th June. All our students will have an opportunity to have a look at the books and make a wishlist, which is not an obligation to purchase. Books will be on sale each morning between 8:30am and 9:10am or by appointment at another time. A percentage of money raised from the Bookfair comes back to the school as books for our library.

Netball Superstar

Congratulations to Georgia Miller on her recent selection to the Riverina Netball Team. Well done Georgia!

Sensational Athletes

A number of our students will be competing at the Southern Riverina PSSA Athletics Carnival in Albury next Thursday 4th June. I am sure you will all do your best and be outstanding ambassadors for your school.

Student Reports

Currently being written and will be sent home Friday 19th June.

On the Ball and On The Go

Outstanding Netballer
Congratulations to Georgia Miller who represented the Eastern Riverina Netball Team against Western Riverina last week. Georgia played very well and was lucky enough to be selected in the Riverina Netball team. Georgia, along with 9 other girls, will participate in the State Carnival in Tamworth in July. Well done Georgia an outstanding effort and a huge achievement.

SRPSSA Athletics Carnival
Next Thursday 4th June, a number of students will be competing in the Southern Riverina PSSA (SRPSSA) Athletics Carnival at Alexandria Park Albury. It is hoped that enough parents will be available to assist with transport so that a bus will not be required. A reminder that as parents who transport children other than their own, you must call into the school office with your licence, car registration and insurance papers and sign a ‘Working with Children Check – Declaration for Volunteers’. Thank you to those parents who have already done so. Miss Taylor will be managing the carnival on the day.

P&C This n That
Congratulations to the winners of the ‘Winter Warmers’ Raffle:
1st (Load of Wood) - Liz McQuillan
2nd (Heater) - Terianne Brown
Thank you to everyone who supported the raffle.

REMINDER
School banking for the Commonwealth Bank and Hume Building Society is done on Monday.
Class K-1

Yesterday we enjoyed the Cyber Wiser performance. We are looking forward to our video conference on ‘Ants’ tomorrow. Last week we conducted an ant experiment in preparation for tomorrow. It was very exciting. Please ask your child if you want to know more details. Bronze Awards: Lincoln Jongeneel, Max Simmons, Nakoda Navybox, Scarlett Hocking, Maddison Wood, Conrad Shearer, Gus Clancy.

Class 1-2

Students enjoyed the Cyber Wiser Performance yesterday. Students discussed how to be safe while searching the Internet and communicating with others. It is important that parents are aware of student activity and to be mindful when communicating with others via text. Congratulations to Max Pumpa, Aidan Semmler and Olivia Binskin on reaching 25 marbles last week. Enjoy your rewards.

Class 3

Most of the students’ presented their public speaking speeches last Friday. Everyone that presented theirs did a really great job and should be proud of their efforts. This week is our assembly item and the six best public speakers have been chosen to present their speech to the entire school. These students are Cohen, Harrison, Fletcher, Konrad, Millah and Isabelle. We hope to see everyone there. Normal routines will continue with home learning this week. Next week an expression of interest note will go home for the Year 3 and Year 4 excursion in Term 3.

Class 4-5

Students learnt a lot on Monday afternoon at the Cyber Wiser performance. This week in Science we are studying the Planet Uranus. We have also been recording the temperature and rainfall over the last two weeks, last week we recorded 18mm of rain. Next week we will be presenting our speeches to the class to pick the finalists for the week 8 assembly. Students have been working hard on their speeches about their heroes. In mathematics we have been learning about length and students have created a running track around the school using this knowledge. Jason Lilley was our Class Dojo winner for week 5. Have a great week.

Class 5-6

Last week we were able to view photos and videos of a trip to Antarctica. They were amazing photos, the penguins didn’t care about the people, they got up really close to them! We have nearly finished preparing our news reports on an issue in Antarctica and will be filming them shortly. The following students have earned 200 Hume Awards and will receive their Bronze certificates – Robbie Thomas, Blake Ralston, Benjamin Medley, Imogen McPherson, Mia McMillan, Matisse Ravenna and Ellie Webster. The class award this week goes to Benjamin Medley for beautiful reading out aloud to our class. The Class Dojo awards goes to Mason.

5th June
Year 3 practising their basketball skills
The simplest way

...to understand Health Star Ratings.

You may have noticed Health Star Ratings on the front of many packaged foods.

What do they mean?
Health Stars will help you make healthier choices when choosing packaged foods at the supermarket. The star rating is based on an assessment of the nutrient content of the food including the kilojoules, saturated fat, sugars and sodium (salt) as well as fruit, veg and fibre content. The more stars, the healthier the product.

Why?
63 percent of adult Australians, and ¼ children are now classed as overweight or obese. The Health Star Ratings help us make healthier choices for our whole families – with a quick glance at the packet.

Cancer Council NSW helped develop the Health Stars – because we want healthy eating to be easier for everyone. Remember, nothing beats fresh – but if you need to buy a packaged snack – look for five stars!
