Not Just Superstars...Megastars
Congratulations to our Premier’s Debating team who defeated Young Public School in the Riverina Semi-Finals yesterday. Well done to Robert Thomas, Ben Medley, Imogen McPherson and Aidan Kane who will now compete in the Regional Final at Henty Public School on Tuesday 6th October. A big thank you to Mr Colin Kane, Mr John Medley and Mr Robert McPherson who transported the students to and from Young yesterday.

Countdown to Kinder
This Thursday, 17th September is our third 2016 Kindergarten Transition day. Our final three transitions days will take place next term on Thursday 8th, 15th and 22nd October.

The Blackhole of Lost Property
A reminder that with the onset of warmer weather all clothing particularly jumpers should be clearly labelled with students names. Many students have removed their jumpers and left them in the playground. Without names these are particularly difficult to return to the correct owner. We currently have a number of jumpers in lost property. If your child has lost a jumper please check out lost property.

Bats, Balls and Boundaries
The cricket clinics run by Cricket NSW will continue this Thursday and the first Thursday next term. These clinics are great preparation for our Super 8s Cricket for Years 3 - 6 students and are funded by the Federal Government Sporting Schools Program. Super 8s Cricket will be held on Friday 9th October.

It’s Almost the Holidays
May I take this opportunity to wish everyone a safe holiday from this Friday 18th September. Students and staff will return to school on Tuesday 6th October.

Yours in Education

Class K-1
The weather is warming up and jumpers are being left at school. Please mark jumpers clearly with your child’s name so it can be returned. We hope everyone has a safe and relaxing holiday. We look forward to our Term 4 learning. Bronze Awards - Scarlett Hocking, Lincoln Jongeneel, Maddison Wood, Conrad Shearer.

Class 1-2
Last Thursday students had the opportunity to listen to visiting author Peter Klein at the Culcairm Memorial Hall. He was very entertaining with his hand-made instruments and holiday adventure stories. Well done to Olivia Binskin and Abbi Jerrick on reaching 50 marbles. I hope everyone has a nice relaxing holiday break.

Class 3
Congratulations to the winners of our class colouring in competition for footy colours day last week. The winners were: Zoe Byatt, Charlotte Manton, Lashae Thompson, Millah Ravenna, and Bridget Butterworth. Good luck to those students participating in the Tennis Gala day this Friday in Henty. Also this Friday is our last assembly for the term. This week’s Class Dojo winners are Tayla Hutchesson, Isabelle Parsons, Jacob Vine, Lashae Thompson, Fletcher Wright, Konrad Brown and Michaela Wotten. We have had a very busy term 3, all of the students should be proud of their efforts and I look forward to seeing everyone after the holidays, have a safe and fun break.

Class 4-5
This term has flown by and it has been excellent with lots of learning. I hope everyone has a safe and relaxing holiday and comes back ready for a busy Term 4. The class dojo winners for week 9 were Bella, Gabel and Eden, well done. Good luck to Kye and Mitchell who will be playing tennis on Friday. Just a reminder that Super 8’s will be the first Friday back in Term 4. Notes have been sent home. Year 5 students have just one more form to fill out for the Years 5 and 6 excursion, confirming a few little details. Have a great week and holiday.

Class 5-6
5-6 will present their assembly item this Friday. We would love to see as many parents as possible here at 2:45pm. All the costumes need to be brought in by tomorrow, this will ensure they are ready for Friday’s performance. The Year 6 girls took part in the Shine program yesterday and really enjoyed it. They learnt about being resilient, dealing with bullies and character building. Just another reminder there are four weeks (including holidays) until our Canberra excursion. This week’s Dojo awards went to Bailey, Georgia, Mason and Tayla. This week’s class award went to Imogen for consistent high results in her spelling tests.
Stepping Stones Triple P Parenting Seminars Series

Is this you?
Most of the time, you know you are doing a good job with parenting. But there are times when things get a little tricky. Like when your toddler won’t eat her dinner. Or your six year old won’t share his toys. If only someone could give you some ideas to make those times easier! If this sounds like you, then a Stepping Stones Triple P seminar may be right for you.

What is a Stepping Stones Seminar?
Stepping Stones Triple P seminars tackle the most common issues for parents of children with a disability. Seminars are for large groups of parents – possibly 20 or more. It’s an informal presentation, a little like a public forum. There are three seminars that each last 90 minutes and cover a different topic. We encourage parents to try to attend all three.

When:

**Seminar 1 – Positive Parenting for Children with a Disability**
- 15th September 7pm - 9pm | Cerebral Palsy Alliance or
- 16th September 10am - 12noon | Kurrajong Early Childhood Intervention Service

With the school holidays approaching, daily routines will soon change. Different play locations and holiday destinations means different traffic environments.

So to help keep our children safe, families are reminded about these key road safety points:

**Stop, look, listen, think every time you cross the road.**

If your child is aged 8 years or younger hold their hand when walking near or across roads. If your child is 9-10 years old always actively supervise them.

**It’s the law that everyone wears a helmet when riding a bike in a public place.**

It makes sense to wear a helmet when riding scooters and skateboards too!

**Click clack front ‘n back every person for every trip.**

Everyone in the car must be securely buckled up in the right seatbelt or child restraint.

**Talk to your child about being a safe road user.**

Reinforce safe road behaviours by being a good role model! Children learn safe road behaviours from the adults who care for them. Talk about what you are doing to be safe when near roads, in the car and when riding.

**Point out road safety differences and dangers in new environments.**

This is especially important when on holidays in different surroundings. Roads, footpaths, parks, carparks, bike tracks and bike lanes may look different in holiday areas.

**The best way to keep your child safe is to actively supervise them.**
